## ALTON RESIDENCE CENTER CALENDAR

Summer, 1957

Advance Registration

(Administration Bldg.) . . . . Friday, May 31-Saturday, June 1  
Registration (Administration Bldg.)

(For students who have not  
advance registered) . . . . . Friday, June 29

Classes Begin . . . . . Monday, July 1

Independence Day Holiday . . . . . Thursday, July 4

Final Examinations . . . . . Friday and Saturday, August 9-10

## FOREWORD

EFFECTIVE July 1, 1957, Southern Illinois University will lease the Shurtleff College facilities in Alton. The first activity of the Alton Residence Center will be a six-week summer program as an integral part of the Carbondale Campus Summer Session. Courses to be offered will be limited in number but designed to meet the needs of four specific groups:

- (1) Teachers in service
- (2) Teachers Certification of Liberal Arts graduates and individuals on temporary Certificates
- (3) Freshmen, beginning and refresher
- (4) Upper-class work, basic requirements

Your co-operation in bringing the announcement of this new service program of Southern Illinois University to the attention of interested individuals will be appreciated.

Many have been asking, "What about next year?" Within the next few weeks a formal announcement of the plans of the Residence Centers in Alton, Belleville, and East St. Louis will be made.

HAROLD W. SEE  
*Director, Residence Centers*

## SUMMER SESSION, 1957

### General Information

THE MAIN CAMPUS of Southern Illinois University is in Carbondale, Illinois. An eight-week session (June 17–August 9) is scheduled for the main campus this summer. In addition to courses scheduled for the Carbondale campus, a number of courses are to be offered at the Alton Residence Center, Alton, Illinois. All courses at the Alton Residence Center will meet on the Shurtleff Campus.

The six-week summer session at Alton will open on July 1 and close August 10.

Southern is accredited by the Commission on Colleges and Universities of the North Central Association in Group IV (as a university), the American Association of Colleges for Teacher Education, the Association of American Colleges, and the National Association of Schools of Music.

### Advance Registration

ALL STUDENTS expecting to enter the summer session at the Alton Residence Center are urged to advance register on Friday, May 31, and Saturday, June 1. Program advisers will be in the Administration Building to consult with students wishing to take courses at either the undergraduate or graduate levels. Advance registration will make it possible to modify course offerings to meet specific needs.

### Central Registration

REGISTRATION for classes will be held in the Registrar's Office in the Administration Building of the Alton Residence Center on Friday, June 29.

### Academic Load, Course Numbers, and Credits

THE MAXIMUM COURSE LOAD allowed for the six-week session is nine (9) quarter-hours. Credit received at the Alton Center will be residence credit.

Each class period is eighty minutes in length. The schedule of periods for the summer follows:

1st hour . . . . .	7:30-8:50
2nd hour . . . . .	9:00-10:20
3rd hour . . . . .	10:30-11:50
4th hour . . . . .	12:00-1:20

Courses numbered 100-199 are primarily for Freshmen; 200-299 for Sophomores; 300-399 for Juniors and Seniors; 400-499 for Seniors and Graduates; and 500 for Graduates.

#### Fees

FEES for the six-week session are as follows:

Tuition . . . . .	\$15.00
Student Activity Fee . . . . .	7.15
Student Union Building Fund Fee . . . . .	3.00
Book Rental Fee . . . . .	3.75
Total . . . . .	\$28.90

Graduate student fees are the same as above with the addition of a matriculation fee of \$5.00 for graduates of schools other than Southern.

Additional special fees including the following:

Out-of-State Fee . . . . .	\$22.50
Late Registration Fee—\$2.00 first day, \$1.00 increase each day to a maximum of . . . . .	5.00
Program Change Fee . . . . .	2.00
Graduation Fee . . . . .	15.00
Graduate Aptitude Test Fee . . . . .	3.00

Students attending under a State Teacher Training Scholarship are not required to pay any of the regular fees except the Student Union Building Fund Fee. Students attending under a State Military Scholarship are not required to pay any of the regular fees. Veterans attending under Public Laws 16 and 894 are not required to pay any of the regular fees. Students attending under Public Law 550 are required to pay fees, both regular and special, and may not use a Military Scholarship for waiving of such payment.

Students taking up to six quarter-hours, inclusive, may elect to pay fees on a half-fee basis. Also, such students may elect to pay the Student Activity Fee or not, depending upon their individual wishes.

### Admission

STUDENTS WHO PLAN TO ENROLL for the summer session at the Alton Residence Center should contact the Alton Admissions Office for entrance requirements. The following statements may be helpful.

### New Students

HIGH SCHOOL GRADUATES who have had no previous college work should have their high school transcripts sent to the Admissions Office, Alton Residence Center, Alton, Illinois.

Transfer students should have official transcripts from each college or university previously attended sent to the Admissions Office.

### Southern Illinois University Students

FORMER STUDENTS as well as students currently enrolled at Southern should also contact the Admissions Office at Alton. Records for such students will be transferred to Alton for advisement purposes.

More specific information about admission policies and procedures may be obtained from the University Bulletin available at the Alton Residence Center.

### Workshop in Community Resources

THE SECOND ANNUAL WORKSHOP in Educational Utilization of Community Resources is scheduled for the Alton Senior High School from June 10 to July 19, inclusive. Students enrolled may earn nine quarter-hours credit in the course.

The course, Education 485 or Guidance 485, is designed for teachers, administrators, and student workers in a specific community, who are interested in becoming acquainted with the resources of that community and devising ways to make these resources useful in the educational process.

Credit earned in the Workshop in Community Resources may be applied toward either an undergraduate or graduate degree program. Application forms may be obtained at the Residence Center Office at the Broadview Hotel, East St. Louis, Illinois. Formal registration for the workshop will be completed at the Alton High School on Monday, June 10, between 9:00 A.M. and 10:00 A.M.

### Summer School Attendance

STUDENTS WHO KNOW at the time the summer session starts that they must miss more than two days during the session should not

register. The brevity of the summer session makes it difficult for students missing any time to complete the required work.

### Requirements for the Bachelor's Degree

EACH CANDIDATE FOR THE DEGREE must complete 192 quarter-hours of credit in approved courses. At least 64 must be in Senior college courses, of which 48 must be earned in residence. Each student must have a "C" average, and must not have grades lower than "C" in subjects aggregating at least three-fourths of the work. A "C" average is required in the major subject. These averages are required for the credit made at Southern as well as for the total record.

The following requirements should be met by degree candidates of all colleges within the first two years of attendance. (For the Bachelor of Music and the Bachelor of Music Education degrees, for which the requirements are somewhat different, see page 142 of the regular University Bulletin.)

Social Studies—20 quarter-hours (work in four departments required)

Economics	5 hours
Geography	5 hours
Government	5 hours
History	5 hours
Sociology	5 hours

Humanities—18 quarter-hours

Art 120 or Music 100	3 hours
English 101, 102, 103	9 hours
English 205, 206, 209, 211, 212	6 hours

NOTE: The student is also advised to complete the foreign language requirement for the bachelor's degree, where applicable, within the first two years.

Biological Sciences—9 quarter-hours

Botany 101, 202, or Zoology 100	5 hours
Health Education 100	4 hours

Mathematics and Physical Sciences—12 quarter-hours (work in two departments required)

Chemistry

Mathematics

Physics

Practical Arts and Crafts—3 quarter-hours (not required if the student has had any of this work in high school)

Agriculture

Business Administration

Home Economics

Industrial Education

Physical Education—6 quarter-hours

Air Science and Tactics—6 quarter-hours (men)

Six quarter-hours of Air Science and Tactics are required of all male Freshman students, unless they are veterans or are excused from the requirement by the Military Policies Committee. Veterans who received university credit for basic training may not receive credit for the basic Air Science and Tactics nor for required physical education activity. Students who have been granted the usual academic credit for military basic training are not required to take Health Education 100, physical education activity, or basic military.

Students may satisfy any of the above requirements by passing noncredit attainment tests. In some cases, more advanced work may be substituted for the required courses listed. Students who transfer in the Junior or Senior years may substitute Senior college courses in most departments for the Freshman-Sophomore courses listed above.

NOTE: Before the end of the Sophomore year, students will be required to remove deficiencies as shown on the Freshman entrance tests. Students may remove such deficiencies by passing a University credit course, by passing a remedial course, or by passing a test given by the Testing Service.

Degree candidates are expected to follow the basic program set out here plus the advanced work recommended by the department in which the student expects to do his major work. If the student intends to take his degree elsewhere, the adviser may recommend changes in these requirements in favor of those of the institution from which the student plans to be graduated. If the student changes his mind and decides to take his degree at Southern, none of the above requirements will be waived.

## SCHEDULE OF CLASSES

### Course Numbers

000-099 Course not properly falling in Freshman, Sophomore, etc., sequence  
 100-199 For Freshmen  
 200-299 For Sophomores  
 300-399 For Juniors and Seniors  
 400-499 For Seniors and Graduates  
 500-599 For Graduate students only
